BOW ISLAND - ALBERTA

Dissolution of Partnership

Notice is hereby given that the Partnership heretofore existing between Albert Ludtke, Paul E. Ludtke, under the firm name of The Bow Island Trading Company, General Merchants, has this day been dissolved. The business of the said firm, under the name of The Bow Island Trading Company, and all debts owing to the former partnership, are payable to such new firm.

ALBERT LUDTKE
PAUL E. LUDTKE
Dated at Bow Island,
this Twenty-Second
day of January, A.D. 1912.
In presence of
Brutus R. Kennedy.

Funeral Director

Undertaker and Embalmer.

Mail orders receive careful and prompt attention

A long experience enables me to fulfill your requirements with satisfaction. Open day and night.

A. C. LOOMIS, Hoaglin's Bldg., Bow Island

Oil up. Oil up

We have just installed an oiling tank, large enough to place a whole set of working harness in.

Farmers and others who appreciate the benefit of well-oiled harness will, we know, gladly take advantage of this offer.

The tank is constructed in such a manner that the harness is completely soaked in the oil, thus prolonging its life indefinitely.

Our sole charge for this service is---

\$1.50.

A. SWENNUMSON, Bow Island, Alta.

VETERINARY SURGEON & DENTIST

DR. A. E. KNAF

Post-Grad. Studies pursued in Germany, Austria & France.

TEN YEARS' PRACTICAL EXPERIENCE.

Taber - - - Alta.

Fertile Plains.

Have you seen the timber wolf? Mrs. Henry is very ill at this writing.

Mrs. E. Bratton has returned to Lethbridge.

Jesse Smith has returned to his homestead.

Peter Sobey transacted business in Bow Island Wednesday.

Barney Downey transacted business in Medicine Hat this week.

F. M. Naine and B. McLean are busy hauling grain to Winnipeg this week.

Mr. and Mrs. Fred Parker and family spent Thursday at R. Conquer's.

Mr. and Mrs. Henry Hanson and family visited at R. Lumsden's Wednesday.

Miss Ella Bales of Windy Ridge is spending the week with her friend, Miss Paige.

Literary Society still booming. Last Friday night was our monthly election of officers. The following were elected: president, L. Baugher; vice-president, E. Gehringer; sec-treas., Mattie Kennison; Sergeant-at-arms, J. Conquer.

The subject for debate for next Friday night is "Resolved that Alberta levy a tax on all taxable land for hail insurance purposes. U. R. invited to attend."

Last Friday night the school was crowded and after Society's box social, a dance was given, which proved to be a grand success, both socially and financially, netting the next sum of \$72.20 which is to go toward helping Mr. Kennison to the hospital in Wisconsin. Mr. Kennison has been in very poor health for some months past and we hope and trust that an operation will prove beneficial.

Hockey.

Bow Island vs. Medicine Hat 'Played Hockey all the time.'

Bow Island's hockey team journeyed down to Medicine Hat on Monday night to try conclusions with a team representing that town. Bow Island found many changes had taken place in the Hat's team, one or two of the new men, it is said, are not unknown in eastern professional circles. The score of five which the home team built up were all made in the first half. Medicine Hat was kept too busy around their own goal in the second half to add to the total.

The Medicine Hat News, in describing the game stated:

"Medicine Hat took a good fast game of hockey from Bow Island last night by a score of 5 to 1. The game was the best of the season fast, aggressive and fairly clean. The visitors put up a good game, and tried all the time. However the local team was just a little better and were able to win out handily."

After dealing in detail with the individual work of the home team, the "News" has this to say of the visitors:

"However, you have to take your hat off to the visitors. They played hockey all the time, using all the tricks of the game. Whether or not they are used to a larger rink for hockey, they are much given to combination, but in the close confines of the local rink they were soon overbalanced and checked by the locals."

F. Tindell, their river, was one of the best men on their team, with his brother, W. Tindell, played a close game. Their point man also played a good exhibition and called into use all his knowledge of the tricks of the trade to stir the muscles of the locals.

Tanton, Howlett and Howlett, the wings and centre men of their team, were played good hockey. Held on point played a good game as should Beattie in goal, who stopped many shots.

The visitors' game, faulted to lie in their inability to shoot. Time and again they had opportunities for good shots on goal but the majority of them went wide.

On the whole from the standpoint of exhibition game it was a good one, and one worth witnessing.

The line-up: Medicine Hat
R. S. Beattie goal
E. B. B. cover
W. Tindell rover
F. Tanton centre
H. Howlett right
C. Howlett left
Referee, Cushing; Medicine Hat: Judge of Play, Reeves, Bow Island.

Spring Ridge.

Nothing doing except a few parties. Pete Martin has just about his cage ready for the bird.

Willie Collic and Miss Pearl numbered with the 55 that ate dinner at Mrs. Donovan's Sunday.

Rev. Dr. Speke was in our parts on Thursday looking after the interests of the new church that is to be erected in the Sunnyvale district soon.

Mr. and Mrs. Katten from Whittla were the guests of their daughter, Mrs. A. Garrison. Some very smart billiard playing was witnessed between Mr. Katten and Mr. J. N. Ambrose.

The residents of this community worked a very agreeable surprise on Mrs. D. M. Garrison Sunday last. A general invitation had been sent out to the neighbors to meet at Mrs. J. A. Donovan's on the 28th, and considerable discussion took place regarding the event. Just after 2 p.m. Mrs. A. Donovan announced that the gathering was called in honor of Mrs. D. M. Garrison's fifty-first birthday.

Mr. Donovan's thoughtful and kind way of acting with general approbation and the result was an extremely enjoyable afternoon.

"Suit."

Seed Grain.

The Editor, Bow Island Review.

Dear Sir: Kindly grant me sufficient space in the columns of your valuable paper to draw attention to SEED GRAIN situation for the coming season, as this is a matter which all of us should be interested in and one where prompt action is necessary.

There is a general impression that as the season is rapidly advancing and the time for seedling will soon be upon us, we have received instructions from a special committee appointed by this association to request that every farmer who will be in need of seed grain to write at once to the General Office of the United Farmers of Alberta, c/o Leeson and Lindsay Block, Calgary, stating the quantity of seed grain required, whether wheat, barley or oats, and such further information as to the location of the homestead, amount of land under cultivation, etc., which may be of assistance in securing full data as to the conditions now existing and the amount of grain required. At the time of action is short will all who are interested kindly write at once so that the full data can be secured.

We have already been informed that assistance will be forthcoming in some districts where homesteaders have not yet secured their patents, this upon the authority of the Commissioner of Immigration, but this assistance will

Whittla Sidetracked

Ottawa, Jan. 31.—Among the plans now submitted for the approval of the Minister of Railways is one from the C.P.R. seeking a revision of the Crow's Nest Pass route from Bull's Head to Purple Springs. The road between these points curves considerably with a width at the centre of the bow. The company seek to revise the plans so as to straighten the road. Mr. W. A. Buchanan, M.P., who represents the section of country interested, has announced that he will oppose the plan as it would cut Whittla off and place it four or five miles from the railway. He doesn't think the advantage of shortening such a short distance would by any means offset the disadvantage accruing from the practical wiping out of Whittla, where considerable investments have been made and the inconvenience to farmers now living north of that town who would have a four or five mile longer haul for their grain. The route map is likely to come before Mr. Cochrane shortly for approval.

Match News.

Mrs. Goldrich called on Mrs. Jos. Neil last week.

Mr. Harry Gibson has given his horse a coat of paint.

Meese, Danne and Craver were butchering last week.

Mr. Joseph Neil called on Mrs. M. L. Bowen's last week.

Mr. J. Blomberg had the misfortune to lose a horse last week.

Subscriptions for the Bow Island Review taken at the Mail-Post office. Don't forget the Literary on Friday night you will be sure to enjoy yourself.

Mrs. Thompson and daughter Grace, called on Mrs. M. Gibson and Mrs. Twissell last week.

The Ladies Aid met at Mrs. Louis Hanson's on Wednesday, February 7. Everybody came.

Mr. Ernest Henry has built on his homestead so will likely take up his business quarters soon.

Meese, Arthur Stenham, J. Funk and Martin Brandt are all digging for the precious fluid, water.

Don't forget the auction sale on Monday next at two p.m. Impounded animals will be sold on the N.W. 14 of 98-10 west of 4.

Mr. Fred Twissell is feeling so well these days that he went and blew a whistle for a fine horse. Mr. Gibson also bought a team.

The best social and dance held at the Fertile Plains schoolhouse on Friday night last, was a big success, over seventy dollars being realized. Mr. Maurice Wilson was auctioneer.

The U.P.A. held a meeting in the Fertile Plains schoolhouse on Saturday last. The elevator question was discussed and the people were very enthusiastic over it. Officers were elected for the Farmers' Company and the members have already taken stock in it.

Altarado News

Glad to see Mr. Strid's genial countenance amongst us again.

The Rev. Cripps is expected to conduct services next Sunday.

Mr. Aldrich came to Lethbridge where she will be for a time in the Gulf hospital.

Wonder how Mr. Garrison and Harry enjoy basting. They are sure good cooks here. Garrison is a big boy, will beat the eastern trip help to her health.

The whole question of the U.P.A. The Federated and the R.C. will be discussed at the U.P.A. meeting. Wonder will the event discover any Bunkies or Sherbians?

We note with pleasure that the Department of Agriculture has arranged for a number of lecturers to visit Altarado. Now don't forget the date, February 15th at 2 p.m. sharp, is the Doonville schoolhouse.

This is quite a busy community. Altarado has many more men than we have. And then there is the Faith and Altarado and we understand President O'Helle will be served from Altarado after the last post.

Owing to the fact that there are so many initialization blanks on the requirements that do not meet the requirements, His Honor the Judge, the Hon. C. E. Mitchell will have a supply of new blanks sent to our community, Notary and Commissioner.

At the school party held at Doonville schoolhouse, Mrs. Bentley and Mr. Ed. MacFarlane acquired the prizes. The event demonstrated that we have some good music players here. Then after lunch a very pleasant morning was spent in dancing.

Mr. Harry McKenzie is at present in Edmonton. The U.P.A. committee have selected a better representative to their delegates to the national convention. Neither could they have had the honor of a real live secretary. To be a real live secretary of a real live organization and to receive no pay, is no snare.

not be sufficient for many districts, and further than this the trouble in the past has been that the information has become known at such a late date that many farmers' grain have either been unable to secure same or it has arrived at a late date that it was practically too late.

For this reason we have decided to offer our services in securing all information possible on the subject so that no delay may arise in the securing of seed grain.

FRIDAY, FEBRUARY 2, 1911.

Local Topics.

A. E. Whiffen of Medicine Hat was in town Saturday.

Mr. and Mrs. G. J. Loomis are visiting friends in Taber this week.

O. E. Branger of Winnifred was a visitor to our section on Tuesday.

Birth—To Mr. and Mrs. MacDonald, on Saturday, Jan. 27th, a daughter.

Lost—A Mocha Fur lined glove. Finder please return to T. A. Ross, Bow Island.

Mord Millard of Calgary stopped off here Sunday to visit his aunt Mrs. R. H. Robertson.

Miss Pearl Harbut, Miss E. Miller and L. Harbut took in the sights of Medicine Hat last Friday.

Mrs. F. J. Henderson, who has been visiting here, returned last week.

D. A. Stover of Melita, Man., stopped off here this week to visit friends whilst on his way to the Coast.

The Rev. H. Spoke of Bow Island will conduct service at All Saints' church on Sunday evening next at 7.30 p.m.

Oh, by the way, have you seen Janylo's china display? Have a look, to satisfy your curiosity, if for nothing else.

Will the person who removed a valve from a bass horn in the I.O.O.F. hall be kind enough to leave it with the band leader.

The members of the Ladies' Aid of the Presbyterian church will meet at the hall on Thursday, Feb. 8th, at 2 p.m.

The Y.P.A. has rented the I.O.O.F. hall for Thursday of every week, commencing next Thursday, Feb. 8th. A good programme is being arranged for this evening.

Speculation is rife among our readers as to what is "in the wind." Jamieson the Jeweler is keeping mum, but wishes us to make it known that the plot will be unfolded next week.

Maleb and Altardo are both to the fore this week with a batch of very interesting items. These two communities are real live ones and the residents apparently believe in "keeping things going."

The Bow Island Blacksmithing Co. has purchased the buildings and two lots, formerly occupied by E. B. Loucks, and expect in the near future to erect a new blacksmith shop thereon.

Mr. A. and Miss Evonne Reginald, of Argyle, Minnesota, are here visiting their brother L. A. Reginald. The former intends to shortly move to Edmonton, his sister remaining here on a few months' visit.

The business men of Winnifred, we understand, are willing to put in a printing plant if a suitable man can be found to run it. It is somewhat comforting to find a community that really appreciates the value of a local newspaper.

Mr. and Mrs. B. Conpton, of Tompkins, Sask., have taken over this week the Bow Island hotel situated on Bell St. It is their intention to remodel and equip the building in a thoroughly up-to-date style and to put in a service that will defy criticism.

Two carloads of linseed oil from the Medicine Hat mill started off yesterday to Vancouver. It is expected to very soon dispatch a car a day. This (No. 1) of which the price is \$1.45 at county elevators, is being purchased by the Medicine Hat mill at \$1.30 per barrel, according to Mr. McNelly, its manager.

Quite a little rain fell in Bow Island this week.

Ed. McHugh paid us a pleasant visit Thursday.

The Citizen's Band are making arrangements to hold a grand concert in Bow Island on Wednesday, February 21st.

We regret to hear that Mr. Connor has changed his mind about coming to town. He seems to like the homestead.

We notice Jim Reid hangs around the station awaiting east bound trains. We wonder if he expects a little visitor from Lethbridge.

Mrs. Abe Smith returned from Medicine Hat yesterday (Thursday) with her son Harold, who has just undergone an operation for appendicitis.

Mrs. Duncan Seiffert, formerly Miss Fay Telford of Winnifred, is a guest of Miss P. Harbut. Her many friends are pleased to see her back.

The annual meeting of the W.C.T.U. will be held at the residence of Mrs. A. E. Dulmage on Wednesday, Feb. 7th, at 3.30 a.m. A full attendance of the members is earnestly requested.

Spring Ridge is one of those lusting little country communities where everything apparently is carried out with much vigor. We have some news from there this week, and we hope to make it a weekly feature.

Norwegian Lutheran services will be held in the Presbyterian church on Sunday next, Feb. 4, at 2 p.m. The services will be held in the Norwegian language and all Scandinavians in and around Bow Island are heartily welcome. Rev. T. O. Kjos from Lofn, Montana will conduct the services. He will take the place of Rev. Mickelson for a few months.

Mrs. Hyslop, temperance advocate, appeared in Bow Island and gave an address in the I.O.O.F. hall on Sunday night under the auspices of the W.C.T.U. There being no service in any of the other churches the hall was crowded with about 170 rapid and attentive listeners. Mrs. Hyslop is an able and most fluent speaker and it was a distinct pleasure to listen to her.

We might mention an organization in our town which, unfortunately, is making rapid progress towards perfection and which has been and should continue to be a booster for us. It is our Band. But in order to bring this to the high standard of instruments are necessary. In order to raise funds for these the band will give a concert in about three weeks, with a prize drawing of \$100 in connection. Tickets will be offered for sale next week, and a full announcement will be given in the next week's issue of the Review.

Messrs. Hutton, Mitchell and McInch were the speakers at the Farmers' meeting held in the I.O.O.F. hall on Tuesday afternoon. The subjects treated were "Breeding and carrying of dairy cattle" and "Noxious weeds and forestry." The farmers attended in good shape and evinced considerable interest in the proceedings. The large attendance was especially satisfactory, as the sending of cattle speakers over the province by the government costs money, and to know that they are appreciated compensates them for their government in a sense for their trouble.

Many farmers in this Western country have under serious disadvantage of having to pay heavy rates of interest on their mortgages, owing to the lack of sufficient capital to start with, and to the fact that the interest is at a high rate. The Farmers' Review and Weekly Star has taken up the fight of the "poor" farmers in earnest, and is aiding the government to establish a system of mortgages.

The Farmers' Review and Weekly Star sends the government to borrow large sums in England at a low rate and guarantee principal and interest, and give the money, under proper supervision, to farmers at a reasonable rate. It is a paper that is a real worth-while one, and the Farmers' Review and Weekly Star deserves the credit of being the first to take up the fight of the "poor" farmers in earnest, and is aiding the government to establish a system of mortgages.

Strayed.

Dark Brown mare, about nine years old, star on forehead, collar mark on right shoulder, light white patch on left hind foot, been branded on right shoulder, little stiff all round. \$5.00 reward will be given for recovery of same. A. Wolf, Bartlett, Alta.

Important!

At the Pioneer Meat Market, during the next four weeks, four water color paintings by Mrs. R. T. Whitney will be given away. Every purchaser will be given a number and at the end of each week the name corresponding to the number drawn will be awarded the painting that will be exhibited during that particular week.

Public Guarantees

That most beautiful picture entitled "Home Again" has been sent to numerous amount of new subscribers to The Family Herald and Weekly Star, that the publishers are finding it impossible to keep up with the filling of orders, but in the columns of that paper this week we notice a notice guarantee from the Publishers that every subscriber to that great weekly for 1912 will receive a copy of the picture "Home Again." Their guarantee is sufficient and subscribers need not feel anxious although the picture may be delayed for a few weeks. Those who have not yet subscribed to The Family Herald and Weekly Star should do so at once and make sure of having a copy of the picture "Home Again." We learn that the Publishers are contemplating something for next season that will make the picture even more valuable than at present. One dollar pays for full year's subscription to the paper and the picture.

Seed Grain.

Continued from page 1.

ing on applications and distribution of grain.

We would ask for your cooperation and prompt attention to this matter.

If you do not require grain yourself you may know of a neighbor who does and a word from you might prove considerable delay. This is a matter where all can help and for the advancement of our province all are requested to do so. Please consider this question seriously and let us have from you at an early date.

All letters received will be promptly acknowledged and further information will be supplied by the undersigned.
